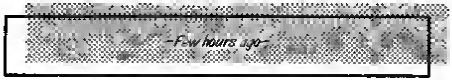
So,
You have not told your parents the truth yet?
Yea,
We told them that we had club activities and hid it from them
Is that all right?

I don't want to drag my parents into this...
Or we should say..
I see, that sure is annoying.
UGH...
Anyhow don't talk bad about others' parents...
Although it's true that it's annoying...
Worse than Kitano.
Eh!? The opponent is an annoyin!? A magic battle? Amazing~ Wow! We must not miss this!! Let's go!
After knowing the truth, there is a high possibility that they would come along and it will be more troublesome...
That's right
They would be so happy that they get really hyper...
PHYSICAL PLANE

Emm, coming here was the right decision
Our Kurimi house's mansion, is surrounded by extremely strong steel walls,
enemies can not sneak in, I guarantee that this is a safe place
Don't worry, you can rest here peacefully
カニ

Tha, thanks...



-Few hours ago-

Anyway..
SUPERNATURAL RESEARCH CLUB

That's true.
From this curse mark incident, I can see that the enemy is ruthless..
Since we do not know how the enemy will appear.
Isn't it better if we start protecting him now?
Judging from this, you need to be protected the whole day.
WHOLE DAY?!
EH?
There is no way you can protect us for 24 hours!
We are in school in the morning so it's ok but what about night time?
Is someone going to stay awake and protect us?
すう
LET ME DO IT!
If that's so..

We have a bunch of brothers to protect you at my house.
I can bath with you or protect you while you are sleeping!
How is that ♡?
No thanks.
WHY?
I don't want to bath or sleep with you!
Also, the person you need to protect is not me but Sui, I bet you forgot about it.
Ugh!
That means he wants to bath and sleep with Sui?
That must not happen, I won't allow it!
REJECT!!
So I said.
Isn't it all right if the 3 of us go in?
Are you an idiot? How can I let you see Sui's naked body and sleeping face!
Why not come to our Kunimi house?

There will be no one bothering you, the most suitable place.
The Kurimi house protected by a barrier as long as you are inside the mansion, you are protected
Well
How is it?
Our house is amazing! Please come to the Kurimi house!
You must come!
Keiji! Don't force him!
I can totally see your motive!

But, Sui
I think it is not a bad idea to go to the Kunimi house.
The security is strong and there are a lot of empty rooms, you don't have to be polite.
Is that so...
Since you have said that, let's do it that...
The decision is made! The Kunimi house welcomes the both of you!
Wuhh
We will definitely treat you two well, we will make you both feel comfortable!
Please come and experience our Kunimi house!
Your method of forcing will be of an opposite effect
How can I let things go this way!
ALRIGHT!
I WILL BE IN CHARGE OF ESCORTING THEM!
I WILL ESCORT THEM TO AND FROM SCHOOL!!
Eh...
o-ok...

YEAH! THAT'S RIGHT! I AM CLOSER TO THEM AT SCHOOL IT'S THE MOST IMPORTANT ISN'T IT?
I didn't expect you to notice that! Hisaya is definitely the darling I chose.
Thanks.
Hehehe
But you have a baby so don't push yourself too much
They are ahead of us!
Kuh...
What else can I do...
Since Karen-chan is in the same class, why don't you be in charge of the school?
or the whole school area?
LISTEN UP TAKAYA SU! I WILL BE PROTECTING YOU IN SCHOOL!
YOU BETTER FEEL HONORED!
Oh, okay
Is it really all right?

All right, lets go through it again!
Firstly, from the protection unit
Oogami Hayate from the werewolf clan will guard to and from school,
followed by Kannazuki Karen from the vampire clan who will guard in school.
At home, the Kunimi House and I, the onmyouji— Kunimi Keiji will be in charge.
That's roughly it.
Therefore, this protection plan for 24 hours is completed.
Next, the action we make when we encounter the enemy

Kill him?!
After that, during the battle, you are allowed to defeat him but do not kill him.
This is very important
If anyone encounters the enemy, please use the shikigami to inform the other members
I will distribute the communication use shikigami later
EH? ERM... AH...
That's right, serious injuries are fine right?
EH? I can't kill?
Isn't that troublesome?
It's because Sui don't agree with it
How about breaking 1 or 2 hands and legs or 3 bones?
Serious injuries?
If it's just that.. as long as he won't die, then it's ok.
This is...
It is very difficult to capture him alive, so the prey has to be somehow injured, you should be able to understand this
right?

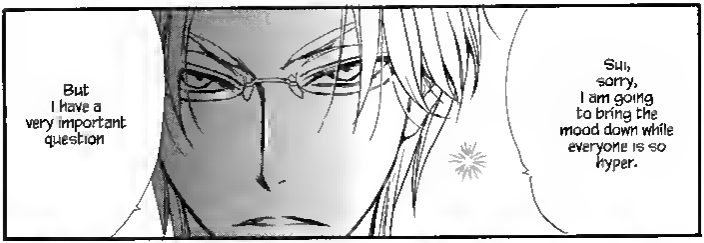
NO! YOU FORCED HIM...
He agreed to it ♡
YOU KEEP SAYING THINGS THAT WILL ONLY MAKE PEOPLE UPSET YOU REALLY MAKE ME ANGRY!
YOU DON'T HAVE TO SAY IT I WANTED TO HELP BEFORE YOU SAID IT!
You seem to be better now, can you help out?
Of course you will help you friend right?
What?
And...
Masaki!
Huh?
Sui
That's right it's a battle that would happen
I won't give in.
Mentally and physically
No... spectating is a bother...
I will try not to be a bother!
If something happen I will leave the scene, I will spectate from somewhere far.
After that...
Kitano?
You are—

We won't worry about him.
I am more worried about sudden incidents or a hole in the security
You are not helping.
Don't worry! If anything happens, I will protect Hisaya!
しゅば
ギュ
Then, you should spend 2x the time to fill the hole.
ずばっ
.....

Anyways, Sui, this will be the plan for now
Ah, ok...

I felt at ease and really happy...
but when everyone say that they are willing to help,
Erm.. the target is me... and this is actually mine and Sou's problem
But...
when the battle starts, there might be injuries...
I didn't notice something so obvious...
The worst situation might occur..
I only realise it when he said "kill"
When I think about it,
I feel that this is my problem, but I dragged you guys in,
is this really the right choice..

I have already said in the morning/ I don't need a reason to help a friend/
I will be more upset if I am unable to help/
That's right/ I was the one who troubled you first, and received your help,
this is all helping one another, so don't think too much/
Actually I am not helping you, I am helping myself/
so you don't have to feel bad/
Everyone..
Thank you/
Even though I will need to trouble you, please take care of me/
アハハ
Sure/ You are welcome//
Just remember to return the favour/
Kekeke
Leave it to us/

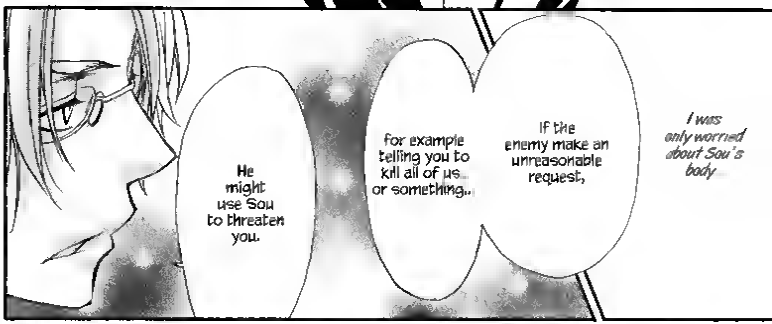


But
I have a
very important
question
Sui,
sorry,
I am going
to bring the
mood down while
everyone is so
hyper.

Eh .

Eh,...
you ask
why...
Yet he did
not make any
move to attack
you, why do you
think he did
that?
From
the start,
the enemy made
a mistake and
the curse was
casted on
Sou
I'm
afraid...

Don't tell me he knew that this would happen...
Sou is not surprised
ばっ
That is to make Sou the hostage!



He might use Sou to threaten you.
For example telling you to kill all of us... or something..
If the enemy make an unreasonable request,
I was only worried about Sou's body

At that time, will you be able to reject it? Sui.
